YOUR PREFERRED BUILDING PARTNER

GBSC - Your preferred building partner

Geraldton Building Services and Cabinets (GBSC) are registered builders who deliver outstanding service to clients in construction, cabinet, joinery and building maintenance. Every client is valued at GBSC, with the company working with individuals, builders, mining companies and commercial enterprises.

GBSC provides services across a vast stretch of Western Australia, from Geraldton in the Mid West to Broome in the north. GBSC also has an office in the Pilbara, servicing Karratha, Roebourne, Wickham and Point Samson.

With a proven track-record and experienced and skilled tradespeople, GBSC is a one-stop shop for any construction or maintenance requirement. Every project, large or small, is stamped with GBSC's attention to detail and guaranteed a quality finish.

Visit GBSC's huge Geraldton workshop to see the scale and quality of our operation firsthand.

GBSC has been named Employer of the Year in the MBA Building Excellence Awards for 5 out of the last 6 years running. All staff at GBSC benefit from the highest level of training. The technology they work with is at the forefront of industry standards. GBSC has brought through more than 30 apprentices and is firmly committed to continuing its quality training.

GBSC Services

Kitchens and Cabinets

At GBSC we turn out more than 700 kitchens every year – each one carrying the distinction and quality that we bring to everything we do.

We deliver award-winning kitchens throughout the Mid West and as far afield as the mining communities of the Pilbara.

Step into the huge GBSC workshop, and you'll soon realise why we are the region's leader in kitchen renovations.

Joinery

All your solid timber machining and fabrication needs can be met by our skilled joinery team.

From benchtops to office furniture, doors, bathroom tables, window frames, door frames, anything at all – if you need it designed and constructed, GBSC will turn your ideas into reality.

Maintenance

GBSC's Building Services department can look after maintenance needs for public and private organisations, overseeing the supply and coordination of all tradespeople required to maintain the upkeep of a building.

The company carries out works with the City of Geraldton-Greenough, Coles Supermarkets, Iluka Resources, the St John of God Hospital Geraldton, Department of Housing and Works, Defence Facilities Management and many more

Construction

GBSC's qualified and experienced builders and tradespeople produce buildings of distinction.

With a workforce of skilled tradespeople, GBSC delivers quotes to fit your budget.

GBSC works on shops, whole houses, commercial businesses including schools, medical centres, accommodation and complete multistorey developments.

Our team is also skilled in all concrete and civil works as well as commercial buildings, including remote projects such as Rat Island on the Abrolhos Islands.

Heritage

GBSC is the preferred contractor for both John Taylor Architects and Palassis Architects in the Mid West and Pilbara regions for heritage restoration projects.

Some of the heritage projects GBSC has undertaken include the Cue Police Station and Quarters, Dongara Flour Mill, Yalgoo Railway Station, Glengarry Newmarracarra, Geraldton Court House and Cossack Bond Store.

Awards

GBSC has won more than 50 awards from the Housing Industry Association (HIA) and the Master Builders Association (MBA) in the last 10 years.
